Privacy Statement

Statutory Authority: The Alabama Department of Public Health was given authority under Code of Ala. 1975§ 20-2-210 et seq. to establish, create, and maintain a controlled substances prescription database program. This program is to promote the public health and welfare by detecting diversion, abuse, and misuse of prescription medications classified as controlled substances under the Alabama Uniform Controlled Substances Act.

Access to Information:

Medicaid

In accordance with Code of Ala., § 20-2-214, access shall be permitted to information in the controlled substances database to, “authorized representatives of the Alabama Medicaid Agency; provided, however, that access shall be limited to inquiries concerning possible misuse or abuse of controlled substances by Medicaid recipients.”

By signing this document, I hereby agree to follow the security and password policies of the Alabama Prescription Drug Monitoring Program (PDMP). I agree to not disclose nor misrepresent any data or protected health information to any unauthorized person or party. I agree that I will not share my account information, login name, or password with anyone, even if they are authorized users of the program. Any person who falsely swears, by signing this form, shall be guilty of a Class A misdemeanor (Code of Ala. § 13A-10-102).

Unlawful Disclosure:

Any person who intentionally makes an unauthorized disclosure of information contained in the controlled substances prescription database shall be guilty of a Class A misdemeanor. Any person or entity who intentionally obtains unauthorized access to or who alters or destroys information contained in the controlled substances database shall be guilty of a Class C felony. (Code of Ala. 1975, § 20-2-216)

I understand that inappropriate access or disclosure of this information is a violation of Alabama law and may result in disciplinary action by my licensing board and/or revocation of database access privileges.
